Thank you

Thank you for choosing a slower kind of evening. We hope these pages give you a few quiet minutes, and a little room for what matters.

THE ARTWORK

Flower pages: Nicolas Cochin (1610–1686), etched plates from Livre nouveau de fleurs très-util pour l'art d'orfèvrerie et autres (Paris, 1645).

Butterfly pages: Wenceslaus Hollar (1607–1677), etchings of insects (Antwerp, 1646).

Both from The Metropolitan Museum of Art, New York, Open Access program (public domain, CC0).

We cropped, cleaned and re-inked the etchings into crisp outlines for coloring. The snowflakes, mandala, quilt, folk motifs, wreaths, cabin, mug, mittens, borders and all text are original work by Wood Between Studio.
